Cara menukar katalaluan

The screenshot displays the UniSZA PutraM@il webmail interface. At the top right, there are navigation links for 'Mail', 'Address Book', and 'Settings'. The 'Settings' link is highlighted with a red box and a red circle containing the number '1'. On the left side, there is a 'Settings' menu with options: 'Preferences', 'Folders', 'Identities', 'Responses', and 'Password'. The 'Password' option is highlighted with a red box and a red circle containing the number '2'. The main content area is titled 'Change Password' and contains three input fields: 'Current Password:', 'New Password:', and 'Confirm New Password:'. Below these fields is a 'Save' button, which is highlighted with a red box and a red circle containing the number '3'.

1. Klik '*Settings*' di penjuru kanan atas
2. Klik '*Password*'
3. Tukarkan katalaluan anda seperti yang dinyatakan dalam kotak ke 3 dan seterusnya klik '*Save*'. Kini anda boleh login ke akaun KeLIP dengan menggunakan katalaluan baharu.
